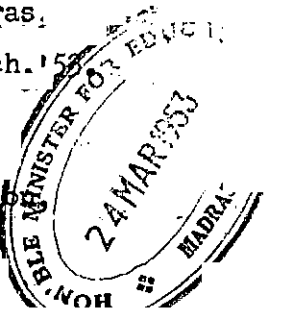
Camp-Madras,

3rd March. 1958



Hon'ble Minister of Education,

Government of Madras,

Madras.

I have the honour to enclose a petition of Sri.AbdulRazak. teacher of my constituency for your consideration and necessary and immediate action. He had appeared for the S.S.L.C.exam in 1952 in English and his exam no. was 19549.His result has been withheld. I understand that it is presumably because the authoritieshave suspected impersonation as alleged in the prejudicial petition sent to them from some rival parties from Basrur. Mr.Abdual Razak

was a teacher there for a considerable time. the rival parties it seems have alleged that one Hussien Saheb, a student of Mr.Abdul Razak appeared for the examination impersonati Mr.Abdul Razak. There is some resemblance in the handwriting of these persons. This probably has ledd the authoritis at Madras to suspect impersonation. The boy(Hussien Saheb) has passed his S.S.L.C. in March, 1952 and appeared for the postal Exami--nation at Mangalore at the end of September, 1952. He has passed the Examination and is now posted to the Kistna Dist. Mr.Abdul Razak appeared for only 'English' at the Christian High School Centre at Udipi in. October,'52. So the authorities can very well conduct an enquiry and justice meted out. Nearly five months have elapsed and nothing is known about the result of Mr.

Razak. Consequently he has been prevented from apperaing for the Seconda grade training this year. The false petition has made the party to waste one year. I request you therefore to order an enquiry if necessary and take further action on the petition.

Katapadi
21st March,

From

S. Abdul Razak,
Teacher.

To

Sri. Ta A. Pai, M.L.A.,

Respected Sir,

I hereby most respectfully beg to bring to your kind knowledge and information the following facts for necessary action and justice:-

That I had appeared for the S.S.L.C. Examination (according to the previlege accorded to the teachers to appear in private capacity) held in Oct., 1952 for a single subject "English" from the Christian High School Centre. My Examination number is 19549.

Inspite of repeated apporaches previous to this to the Secretary, Board of Secondary Education Madras (by way of correspondence) I regret, I have neither received the certificate nor any reply in this connection.

That I have come to know that certain prejudicial petition by somebody has been addressed to this Secretary, Board of Secondary Education against me with the allegation that a certain other candidate appeared for the said Examination on my behalf and thus the matter had been delayed and pending.

That if my information is correct the allegations are quite baseless and are quite prejudicial and have been done with a motive to humiliate me and spoil my future prospects.

That a reference may be made to the Chief Superviser of the said Examination at the said centre and his evidence may be taken as testimoney if need be.

Under these circumstances I hereby most earnestly approach you for proper enquiry, action and justice to me. Hope you will kindly be pleased to do the needful and help me in this connection.

With reference to the Government memorandum cited, I enclose a copy of report No.C1/8580/53,dated 20.5.1953 from the Superintendent of Police, Crime Branch, C.I.D.,Madras in the matter.

Letter No.C1/8580/53,dated 20th May 1953 from the Superintendent of Police, Crime Branch, C.I.D.,Madras, to the Inspector-General of Police,Madras.4.

Sub: Malpractices - S.S.L.C.Examination, October 1952 Christian High School, Udipi centre - candidate with Register No.19549 (S.A. Razaak) - alleged impersonation - investigation by the Crime Branch, C.I.D.- preliminary report - submitted.

.....

Ref: Chief Office Endt.Rc. 515/Cr/53,dated 9.3.53.

....

This is a case of impersonation at the supplementary S.S.L.C. examination held in October 1952 at the Christian High School, Udipi centre. The Commissioner for Govt.Examinations received two pseudonymous petitions dated 2.12.1952 from one Sri B.S.Adiga and dated 27.1.53 from one Amin Badsha alleging impersonation by one Hussein Saheb on behalf of one S.A.Razak in the above examination. The Commissioner for Government Examinations, on verification of the scripts in English of both the candidate relating to the S.S.L.C.Examination of March 52 with that of October 52(the script with register No.19549), found that there was suspicion as to who answered the examination in English during the S.S.L.C. examination of October 1952. When the script with register No.10618 of March 1952 answered by S.A.Razaak was compared with that of October 52 with register No.19549, he found that there was vast difference in hand-writing. He therefore considered that this was a case of impersonation and accordingly addressed the Government, Education Department, requesting them to forward the papers to the C.I.D. for investigation and report. Accordingly the two pseudonymous petitions mentioned above with six answer scripts relating to S.S.L.C.public examination held in March 52 in respect of register No.77752, Hussain Saheb, English I and II papers, of the Board High School, Coondapur and in respect of register No.10618, S.A.Razaak Saheb, English I and II papers of the Christian High School, Udipi centre and in respect of the candidate with register No. 19549 English I and II papers of October 1952 of the Christian High School. Udipi centre have been forwarded to the Crime Branch, C.I.D. with the Chief Office Endorsement cited for investigation.

2. The investigation in the above case has been taken by the Crime Branch C.I.D. and a case in Udipi Stn.Cr.No.59/53 under sec.419,468 and 109 IPC. was registered on 9.4.53 against,(1) S.M.Hussein Saheb s/o. M.Ahmed Saheb Basrur, Coondapur and (2) S.A.Razaak, Teacher, Board Hindustani School, Nire Bailur, Karkal, after making enquiries about the signatories B.S.Adiga and Amin Badsha in the two pseudonymous petitions, as they could not be traced. Investigation has disclosed that the accused 1 and 2 are very great friends and A-1 was sometimes a student of A-2 in Basrur village in the infant classes and they were in very intimate terms. A-1 was a student of Coondapur Board High School, and he passed his S.S.L.C.Public examination held in March 52 securing very good marks in all the subjects, above 50% in each. A-2 is a higher grade Hindustani Teacher now at Nire Bailur, Karkal Taluk and he was to appear for S.S.L.C.Examination held in October 52 in Udipi Christian High School ~~xxxx~~ centre and secure a pass to qualify himself for training in secondary grade. This was his last chance since he had failed three times before. As a result of the intimacy between A-1 and A-2 the second accused induced the first accused to appear for him in the supplementary examination

-3-

held in October 1952, in English I and II papers only which was his only last subject remaining to be completed to make him eligible for training in the secondary grade. The above examination was held upstairs in the Christian High School at Udipi and the said candidate i.e. S.A.Razaak, A-2 was to appea only in English I and II papers on 8.10.52. The Chief Superintendent Sri S.N.Mathias, the Headmaster of the Christian High School, Udipi has prepared the sketch of the arrangement of the seats as according to the register numbers provided to the various candidates in the main hall as well as in two other halls.

3. The co-candidates that were seated near the culprit and other candidates who appeared for the same examination were contacted. Teacher candidates K.Shama Shetty, Becha Shetty and P.Narayana Naik were able to identify the actual candidate who occupied the seat provided to the candidate with register No.19549 on 8.10.52 for English I and II papers. K.Shama Shetty and V.Narayana Shetty know A-2 and they said that A-2 was not seen in his seat provided for him according to his register number. Another teacher candidate P.B.Seetharama Bhat who knows A-1 and who appeared for English I and II papers on 8.10.52 in the same centre had seen A-1 at the examination centre the same day and on his asking A-1 as to why he was found there, A-1 replied him and he did not secure enough marks in English in the March examination and so he had come there to appear once again in English I and II papers in order to secure good marks. Their meeting was just 10 minutes prior to the commencement of the examinations. A search was then conducted in the house of A-1 and his writings were seized along with other letters between himself and A-2. A-1 was not present and he was reported then to have gone out of South Kanara on some employment. Subsequently A-2 was arrested and his House was searched. His writings and letters between himself and A-1 were also seized. The letters were in English and Urdu. In one of the Urdu letters seized, A-1 had written to A-2 that he had asked one Deputy Inspector of Schools who told him that these answere books written in the examination would be destroyed after three months and so A-1 advised A-2 not to worry about the matter further. This letter was in the month of February 1953.

4. A-2 was arrested and released on bail on 24.4.53. A-1 is said to be an employee in Bluru Post office. A report to the Superintendent of Post Offices had been sent to keep him under suspension. He will be arrested soon and questioned. The documents will be sent to the State Examiner of Questioned Documents for comparison and the case charged on receipt of his opinion.

In submitting herewith a pseudonymous petition dated 2.12.1952 received from one Sri B.S. Adiga regarding the alleged impersonation by one Hussain Saheb on behalf of S.A. Razaak, I have the honour to state after verification of the Scripts in English of both the candidates relating to the S.S.L.C. Examination of March 1952 with that of October 1952 (Script with Register No.19549), that there is a feeling of doubt as to who answered the Examination in English during the S.S.L.C. Public Examination of October 1952. While examining the scripts with Register No.10618 of March 1952 answered by S.A. Razaak with those of October 1952, I find that there is a wide difference in handwriting and I therefore consider that this is a case of impersonation.

The scripts of the candidates as detailed below, together with a copy of a petition from Amin Badsha dated 27.1.1953 are herewith sent.
